

# Chris Brazell, P.E. Garners Georgia Engineering Award

By: Richa Speir, PHR

**EMC** is pleased to announce Christopher E. Brazell, P.E., L.S.I.T., of the Columbus Branch Office has been selected by the Georgia Engineering Alliance for the 2010 Young Engineer of the Year Award. In order to receive the Young Engineer of the Year award, the recipient must be 35 years of age or less on February 20, 2010. The application process requires letters of recommendation from not only his peers but a client reference in addition to a brief biography and list of accomplishments.

Please join us in congratulating Chris on being selected this honor as well as his other accomplishments during 2009. This is the second time in the history of EMC Engineering Services, Inc. that the company had an Engineer receive this honor. Chris joins Tim Baumgartner, PE - the 1994-95 recipient.

Georgia Engineering Alliance  
Young Engineer of the Year 2009 - 2010  
Christopher E, Brazell, P.E., LSIT

Mr. Brazell is currently serving as the Branch Manager for the Columbus Branch Office and the Regional Business Manager. In his position as Branch Manager and Regional Business Manager, Chris is EMC's lead design professional for the West Georgia Region which includes the Atlanta and Columbus branch offices. Over his eight year tenure with EMC, he has obtained his Masters Degree, professional registration, advanced into an ownership position and became a member of the Board of Directors. He is also in the process of pursuing a dual registration in engineering and surveying. In 2009, he passed the Land Surveyor in Training exam. The annual revenue produced in this region of the state is greater than \$1,000,000.00 and Chris represents nine of the firm's top clients.
